

# APRIL DAYS OF ACTION

## FOR

# HIGHER ED & HEALTH CARE

### JOIN THE NATIONAL MOVEMENT

Throughout April, educators, students, campus workers, health care providers, and community members at colleges, universities, and hospitals nationwide will take part in national days of action to advocate for higher education and health care as public goods and recognize the vital role of campus and health care workers to the well-being of students, patients and communities.

#### **Take Action:**

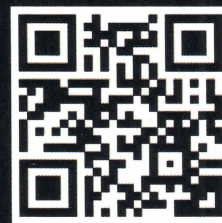

- Host a rally or press conference
- Set up an informational table
- Organize a teach-in
- Get creative—make your voice heard!
