## SPECIAL EDITION

### Discretionary Salary Awards 2016

# Happy Holidays

Inside is the 2016 list of recipients of Discretionary Awards at FSC.

Like everyone else who remembers, I would really like what the state took away — Discretionary Salary *Increases*. Apparently the Governor has more regressive opinions of salary increases for teachers; especially teachers in higher education; more especially, teachers in public higher ed.

So given that we live within the governor's vision of good will, in this cycle we have the best discretionary award list possible.

After years of UUPF's advocating for an equal division of discretionary funds among all of the bargaining unit, President Nader has decided upon just that. And even better, our adjunct staff has received an even greater, equally distributed award.

We commend President Nader and other members of FSC's management for this decision. It strengthens the Farmingdale community and serves as an acknowledgement of the hard work and attention to students shown by our staff. We all are a part of Farmingdale's success.
